Work Experience :

Frontend Developer at Tech&Kit
May, 2018 - Oct, 2019

Leverage agile frameworks to provide a PCB design for high level overviews. Iterative approaches to corporate strategy foster collaborative thinking to further the overall value proposition.

Business Executive at Make My Vacation
nov,2019 - present

Override the marketing with additional clickthroughs from ITC. Nanotechnology immersion along the information highway will close the loop on focusing solely on the bottom line.

Education :

Bachelor of Electrical Engineering from Gargi Memorial Institute of Technology
2018 - Present

Override the Electrical & Computer Programing with additional clickthroughs from GMIT.It is a Greeen Environment college and is taught very carefully.

Higher Secondary from Chakdwipa High School(H.S)
2016 - 2018

User generated content in real-time will have multiple touchpoints for offshoring.Passed with 62% marks Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.

Secondary from Chakdwipa High School(H.S)
2010 - 2016

User generated content in real-time will have multiple touchpoints for offshoring.Passed with 72% marks. Organically grow the holistic world view of disruptive innovation via workplace diversity and empowerment.

Portfolio:

Frontend / Chakdwipa High School

Last Day Of School

This is a picture of the time when we are leaving school. A picture taken with some friends that will stay in the memory forever.

Frontend / Classroom

sum fun time in class

Have fun with friends for a while if the sir doesn't come to class.
